Washington, Nov. 3.—Commander on this point. Dr. Cook will be adgoid medal by the National Geographic society for reaching the north poic.

The board of managers at a meeting today accepted unanimously the report of its sub-committee of scientists, who had examined the avelorer records. had examined the explorers records and proofs, and found them to be con-clusive of his cearn that he had reach-

Report of Sub-Committee. The report of the sub-committee of experts before whom Commander Pearry appeared with his records and instruments was as follows:

struments was as follows:

"The sub-committee to which was referred the task of examining the records of Commander Peary in evidence of his having reached the north pole, beg to raport that they have complested their task.

"Commander Peary has submitted to this sub-committee his original journal and records of observations, together with all of his instruments and apparatus and certain of the most important of the scientific results of his expedition. These have been carefully examined by your sub-committee and they are unanimously of the opinion that Commander Peary reached the north pole on April 6, 1909.

"They also feel warranted in etating that the organization, planning and

that the organisation, planning and magement of the expedition, its apiete success and its scientific reity of Commander Robert E. Peary, render him worthy of the highest ers that the National Geographic

Resolutions Adopted.

resolutions adopted follow: creas. Commander Robert E. has reached the north pole, the ought for centuries; and. creas. This is the greatest geo-cal achievement that this society

resolved. That a special medal be reded to Commander Peary; tocolved: That the question of the or not any one reached the pole prior to 1309 be referred as committee on research with incidena to recommend to the board semigers a sub-committee of examiners as sub-committee of examiners or make such journeys as be necessary to fispect original rds, and that this action of the sty be communicated at once to who have evidence of import-Meaning Dr. Cook.

Washington, Nov. 2.—"We must be shown," was the comment of Prof. Willis L. Moore, president of the so-ciety, in speaking of "other explorers" whose records are to be subjected to a rigid acientific test looking to a speedy settlement of the question of priority in the Cook and Peary claims of discovery of the pole. Professor Moore declared that the society and its fifty thousand members will spare no expense to have this question settled. The committee of seientists to be appointed later will be authorized to go to Copenhagen, or any other place, to make their investigations. Dr. Cook's name was not directly alunded to in the statement given out by the so-ciety, but the resolutions adopted were

The scientists will spare so expense clery, but the resolutions in order that they may be convinced clearly directed at him.

FLYING RECORDS BROKEN PRESIDENT TAFT CAPTURES THE SOUTH. The Secessionists, the Ku Klux and the Signal Corps Lieutenants Remain in

this country.

Rirmingham, Ala., Nov. 8.—President Taft brought his twenty hours stay in Birmingham to a close this afternoon and left for Macon, Ga. He stopped tonight for a short stay at Opelika, Ala., and at Columbus, Ga. In his principal Birmingham ad-dress, delivered at Capitol park, this

afterneon, to an immense and an un-usually demonstrative crowd, the pres-ident again expressed his good will toward the south. While deing so a

"God bless you! We all love you."
A broad smile came over the president's face as he replied:
"That reminds me of the old quotation: It may be all right to dissemble your love, but why did you kick me downstairs?" But I have no fault to find en that score," added the president.

The president urged support in car-rying out the Roosevelt policies, to bring about better conditions of hon-

The president referred to the propo-sition to amend the state constitution by providing in it for an indefinite continuance of statewide prohibition,

"I am not an Alabamian," he replied amid laughter, "and I am in somewhat the position of Brother Fox, who when he was called upon to decide a case between the iion and some other ferocious beast protested that he had a bad cold and had entirely lost his seen and smell,"

Deficiency of \$17,479,770, Increase of \$569,491 Over Last Year.

Washington. Nov. 3.—A postal deficiency of \$17,479,770, an increase of \$569,491 over last year, was amounced in the annual report of Merritt O.

a bad cold and had entirely lost his sense of smell."

When the president left the luncheon, the way from the clubhouse door to the waiting automobile was lined on one side by veterans of the confederate army and on the other side by veterans of the Grand Army of the Republic. As he passed down this avenue Mr. Taft shook hands alternately with each one.

by fire, burglary, etc.
There were 5.700 additional postoffices authorized to issue money orders. In round fumber \$1,089,000,000
represents the value of the 72.479,409,
issued and 70.503,459 paid domestic
and international money orders with "Mr. President, you have captured the secessionists, the Ku Klux and the eranky democrats, all of them." "Well, thats' a whole lot," smilingly replied the president.

ELECTED A MAYOR BUT LOST A CITY

Tammany Begins Gloomy Work of Setting Its House in Order for Four Years

RUMOR THAT MURPHY WILL BE DEPOSED

Tammany Leader Murphy Denies that He Has Any Intention of Resigning-Tammany Also Lost Ground in the Aldermanic Districts-Greatest Victory for Reform that New York City Has Ever Seen.

New York, Nov. 3.—Battle-scarred ing the situation and the announce-many, which yesterday elected a mayor but lost a city took up today the gloomy work of setting its house in order for four years of avowed an-in-Tammany.

What Election Analysis Shows.

Analysis shows that the election, which resulted in the defeat by the fusion forces of every important Tammany democratic candidate below the mayor, was more of a victory for the mayor, was more of a victory for the anti-Tammany democrats who lined up with the republicans under the fusion banner than for the straight-out republicans. Anti-Tammany democrats, elected on the republican-fusion ticket, will for four years be in absolute control of the city's purse strings. They will have a clear majority in the hoard of estimate, one of the most powerful municipal bodies in any city in the world, and will thereby have the disbursement of more than a bil-

the disbursement of more than a bil-lion dollars of the city's money.

The board of estimate, as elected, itcludes, besides Mayor-elect Gaynor—who in the past has been a strong anti-muchine man—five anti-Tainmany democrats and two republicans.
The 16 votes allotted to the various
members of the board are so distributed that, besides Justice Gaynor's
three ballots, the anti-Tammany democrats will have nine and the rempile. crats will have nine and the republi-

provide a complete re-organization of their party in New York. Tammany Leader Denies Persistent

ly Separated.

Baltimore, Md., Nov. 3.—That Mr. and Mrs. Henry Clews, Jr., of New York have finally separated was admitted ionicht by Br. Clews' sister. Mrs. Jolin C. B. Pendleton of this city, who said that while she could not discuss the matter. It is a fact that the separation has taken place and is final, and that a divorce will probably result. Mrs. Clews, whose first husband was

Paris, Nov. 2.—The Countess de Chambrun, who is a sister of Repre-sentative Nicholas Longworth, today gave hirth to a sop.

he gloomy work of setting its house in order for four years of avowed and Tammuny government in New York ity.

What Election Analysis Shows.

these calls had no political significance, "I am out of politics for good and all," he told his interviewers. "Not for a million dollars would I reconsider my determination to keep in the background. Yes, they asked me to come back—they always do that. But I'm too old and could not stand the rack—

Other Ground Lost by Tammany. Complete returns on the balloting in the aldermanic districts be cut down from 31 to a majority of duct of a fusion between the demo-cratic and Hearst-independent forces and are hardly to be depended upon to support their democratic colleagues in

William M. Ivias, the republican free ance, who launched the Hearst boom late in the campaign, offered his con-gratulations to the fusion candidates

"It is the greatest victory for reform that New York city has ever seen," said lvins. "It means that Tammany must be reorganized and also that there must be a housedeaning of the republican organization in Manhatian and Brooklyn, as shown by the defeat of Hannard and the defeat of the Woodruff machine and its candidates in Brooklyn."

didates in Brooklyn." Bannard Possible Candidate for Gov.

Otto T. Bannard, the defeated republican candidate for mayor, loomed up today as a possibility for the New York state gubernatorial nomination

or next year. Herbert Parsons, republican county hairman, said in a brief statement: "Mr. Bannard's clean and business-te campuign against tremendous odds has had its effect and I think we shall hear from him again. He has proved himself an excellent standard bearer and the purty has need of many such

THREE WOMEN ON NEW YORK BOARD OF EDUCATION. Mayor McClellan Concedes One of De-

mands of Suffrage Organizations. New York, Nov. 2.—Mayor George B. fcClellan appointed three women to ing the hills of this county, searching for two negroes believed to have aided Charles Lewis, also a negro, in a dastardly assault upon Mrs. Mary Lockhold, wife of a prosperous farm-

er, today, near the small settlement of Exchange. If the negroes are caught lynching is not improbable. Lewis, the only known member of the pariy of three, who are thought to have been implicated in the deed, is dead, having ognized women's right to be represent-ed on the board of education and ap-pointed two members—but since that pointed two members—but since that time no city executive has followed the precedent until today. Mayor Mc-Ciellan went one better than precedent and chose three women, each of whom represents a different religious faith—Mrs. H. D. Robbins, Miss Olivia Leventritt, daughter of State Supreme Court Justice Leventritt, both of New York city, and Mrs. Alfred S. Post of Flushing. L. I.

Flushing, L. I.

Mrs. Carrie Chapman Catt, president of the World's Woman Suffrage leawer, said tonight that the victory was undoubtedly due to the inslatent pressure which has been brought to bear unon every recent desire bear upon every recent administration by women's clubs and suffrage organ-izations.

CHAIRMAN ALDRICH

To Carry on Campaign of Financial Education from the Rostrum.

Washington, Nov. 3.—The campaign of financial education which will be carried on from the rostrum by Chairman Aldrich of the monetary commission, will stretch from Chicago to Milwaukee during next week.

Senator Aldrich and A. Platt Andrew, who has just taken the oath of office as director of the mint, and has bean serving as all expect on the mon-etary commission, will leave New York next bridgy moraing for Chicago. At Chicago the party will be entertained at inneheon Saturday afterneon and that night at a hanguet Senator Al-drich will deliver his first address in the way of chickleting the morales. the way of elucidating the monetary problems for the information of the

144 MILES IN FOUR HOURS. English Aviator, Henry Farman, Beats All Anroplane Records.

Farmen, the English aviator, today won the Michelin cup heating all aeropiane records for duration and distance. He covered a little over 22 kilometers (1ti miles) in four hour, six minutes and twenty-five seconds. six minutes and twenty-five seconds. The previous best record was made by Farman at Bethamy aviation field? Rheims, in August last, when he won the Grand Prix De La Champagne, traveling 180 kilometers (111.78 miles) in three hours, four minutes, fifty-six and two-fifths seconds.

The weather today was ideal, it being gray and windless, although the cold was severe. The aviator was given an ovation when he landed.

Town of Shelton Buries Body of Unknown Woman.

of the anknown woman found in a brook on White Hill several weeks ago was buried by the town here today. The burial certificate gave the cause of death as anythyxistion, the autopsy having revealed the fact that the woman had been stranged to death. The authorities say they have no see to her identity.
